

Monticello Community Survey Have Your Voice Heard!

Community members are coming together for the Monticello Comprehensive Planning process to collaboratively coordinate village resources through 2025, in order to create a vibrant and resilient future for the Village of Monticello.

A Community Survey is being conducted to prioritize project ideas that came up during the planning process, and to gain new ideas and input. This survey is anonymous and will take between 5 and 10 minutes to complete. It closes on April 17th, 2016.
